

YUKON RIVER DRAINAGE FISHERIES ASSOCIATION

You are invited to the Yukon River Drainage Fisheries Association's 20th Annual Meeting in Nulato

***Andrew K. Demoski School
February 15-18, 2010***

**Join us as we bring together fishers from the entire length of
the Yukon River to discuss fisheries issues**

Some highlights of the meeting will include:

- **Connecting with people from all along the Yukon River**
- **Discussing the 2010 Chinook salmon runs**
(Tuesday, February 16)
- **Learning about 2010 Board of Fisheries actions** (Tuesday, February 16)
- **Exploring environmental conflict resolution and how it relates to our fishery**
- **Hearing the latest news on climate change as it relates to Yukon salmon** (Wednesday, February 17)
- **Sharing subsistence issues & knowledge**
- **Learning about Chinook & chum salmon bycatch**
- **Talking about Federal Subsistence Board proposals**
- **Fun raffle (Wednesday, February 17)**

**Senator Kookesh
& Senator
Murkowski's
Policy Director**
Tuesday, February 16

**Community Potluck
& Dance**
Wednesday, February 17

YRDFA works to ensure the long-term sustainability of the Yukon River, its cultures, and economies, by promoting healthy, wild salmon fisheries on the river. Call us at 877-999-8566 ext. 105 for more information
